

Consultancy Services & Solutions

Data + Software + Analytical Capabilities

BREVA
Solutions

Breva Consultancy Services

Helping Businesses make better informed, confident decisions.

ANALYSIS

Engagement process will identify the core issues faced in your business processes first. Including integration points and as-is enterprise information systems.

PROPOSITION

Our value proposition takes a client-led approach. This means take into account any deliver constraints. Whether that is resource, budget or timelines. Our consultants are clear when setting expectations.

EXECUTE

Our onsite experts will track, review and regulate the progress & performance of the project; identify any areas in which changes to the plan are required; and initiate the corresponding changes.

MONITOR & SUPPORT

Post-implementation we provide cost optimisations & benefit fit realisation reporting, based on captured data. We support & train your staff to maintain business as usual productivity levels.
